**IPHC CIRCULAR 2024-021**

**SUBJECT: IPHC 2024 MERIT SCHOLARSHIP RECIPIENT**

Dear Commissioners,

I am very pleased to advise that Mr Shea Davis of Cordova, Alaska, has been awarded the 2024 IPHC Merit Scholarship.

Mr Davis is attending Colorado College to undertake a Bachelor of Science (B.Sc.) in biology, and we wish him well in his studies.

The IPHC Merit Scholarship was established to provide educational assistance to students from Canada and the U.S.A., who are connected to the Pacific halibut fishery and its industry. The US\$4,000 scholarships are renewable annually for the normal four-year period of undergraduate education, subject to maintenance of satisfactory academic performance. A single new scholarship is awarded every two years.

Profiles of previous recipients may be viewed on the IPHC website:

Yours sincerely

David T. Wilson, Ph.D.

Executive Director, IPHC
