

DRAFT: IPHC Financial Regulations (2019)

PREPARED BY: IPHC SECRETARIAT (M. LARSEN, S. KEITH, D. WILSON; 13 DECEMBER 2018)

PURPOSE

To provide the Commission with the opportunity to consider proposed amendments to the IPHC Financial Regulations.

BACKGROUND

In accordance with Regulation 19, paragraph 1 of the IPHC Financial Regulations (2018), which states:

“1. These Financial Regulations should be reviewed for their consistency and appropriateness at least biennially.”,

at the 94th Session of the IPHC Annual Meeting, the Commission was advised that further revisions to the Financial Regulations may be required to encompass potential changes to the reporting requirements for not-for-profit organisations by the Financial Accounting Standards Board ([FASB](#)). The IPHC follows the accounting recommendations of the FASB for not-for-profit organisations as a best practice to safeguard its not-for-profit tax status in the USA.

The FASB has since issued new rules for not-for-profits: *“Presentation of Financial Statements of Not-for-Profit Entities”*, the first major set of changes since 1993. The [new rules](#) are designed to:

1. Simplify and clarify the treatment of net assets in financial statements
2. Clarify cash on hand/available assets
3. Ensure consistency in the reporting of investment expenses and investment returns

The revisions were initially presented at the 94th Session of the IPHC Interim Meeting (IM094) in November 2018, as paper IPHC-2018-IM094-17.

DISCUSSION

Provided at **Appendix I** are proposed revisions to the IPHC Financial Regulations (2018), which incorporate the recommendations from the FASB.

RECOMMENDATIONS

That the Commission:

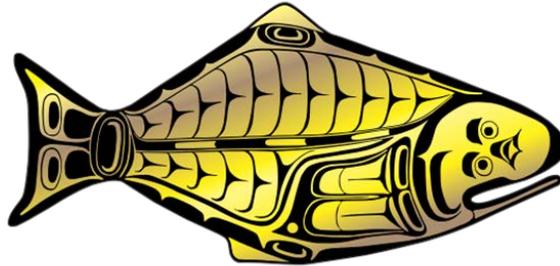

- a) **NOTE** paper IPHC-2019-AM095-19, which proposed revisions to the IPHC Financial Regulations;
- b) **ENDORSE** and **ADOPT** the International Pacific Halibut Commission Financial Regulations (2019).
