Rule 2 – Authority, Purpose and Scope

1. **Authority:** These Rules of Procedure consist of rules and regulations adopted by the International Pacific Halibut Commission, hereinafter referred to as “the Commission,” pursuant to the *Convention between Canada and the United States of America for the Preservation of the Halibut Fishery of the Northern Pacific Ocean and Bering Sea*, hereinafter referred to as “the Convention,” signed first in 1923 and revised several times since, most recently in 1953, as amended by the Protocol signed by both countries, hereinafter referred to as “the Contracting Parties,” in 1979.
2. **Purpose:** The purpose of this document is to provide the rules of procedure for the internal organization and operation of the Commission, and to establish the procedure by which a network of subsidiary bodies shall operate.

-
3. **Scope:** All subsidiary bodies shall operate under the Rules of Procedure of the Commission *mutatis mutandis*, except where specific provisions are laid down in the Convention or in these Rules of Procedure.

Rule 3 – Representation

1. The Commission shall be composed of not more than six Commissioners, three from each of the Contracting Parties, pursuant to Article III, Paragraph 1 of the Convention. Commissioners shall be appointed through the national process of the Contracting Party they represent, and they shall serve as long a term and be reappointed as many times as the Contracting Party decides.
2. The Contracting Parties shall provide documentation of Commissioner appointments, which the Executive Director shall keep on file.

Rule 4 – Advisors to the Commission

1. Each Contracting Party may appoint Scientific and Financial Advisors and/or other experts to assist its Commissioners in their areas of expertise. Except at such meetings as the Commission shall decide otherwise, Commissioners may be accompanied by one or more of these advisors and/or experts.

Rule 5 – Seat of the Commission

1. Unless otherwise agreed by the Contracting Parties, the seat of the Commission shall be at Seattle, Washington, U.S.A. The legislation implementing the Convention in the United States, the Northern Pacific Halibut Act of 1982, stipulates that the U.S. will provide facilities for the Commission on or near the campus of the University of Washington, without regard to the cost-sharing provisions in the Convention.
2. The Executive Director and the Staff of the Secretariat, hereinafter referred to as the “Secretariat,” shall be based at the seat of the Commission.

Rule 6 – Sessions of the Commission

1. The Commission may alternate its regular Sessions of the Annual Meeting and its Interim Meeting between Canada and the United States of America, and may hold other meetings as it may determine necessary.
2. Meetings of the Commission may be open to Observers and the general public.
3. Meetings of the Commission shall be available via electronic communication means approved by the Commission, unless the Commission otherwise decides.
4. Meetings with representatives of the Pacific halibut fishing industry may be held annually at the seat of the Commission or at any other place that the Commission shall determine, and arrangements for such meetings shall be determined by the Chairperson in consultation with the Executive Director.
5. Invitations to meetings of the Commission shall be prepared by the Executive Director and issued no later than **90 days** in advance of the date fixed for the opening of the Session.

Rule 7 – Credentials

1. At each Session of the Commission's Annual Meeting and Interim Meeting, the Executive Director shall receive a *Letter of Credentials* of each delegation issued by, or on behalf of, the competent authority, indicating clearly the Commissioners, as well as the list of advisors and experts who will be part of the delegation. Such *Letter of Credentials* shall conform to the standard set out in [Appendix I](#). The Executive Director shall report to the Commission the *Letter of Credentials* received.

Rule 8 – Order of Business

1. A provisional agenda for each Session of the Commission shall be prepared by the Executive Director in consultation with the Chairperson and Vice-Chairperson. It shall be transmitted by the Executive Director with the invitation sent in accordance with [Rule 6.5](#) and with an indication of the relevant documents to all Official Contacts referred to in [Rule 3](#) and [Rule 4](#), and to Observers referred to in [Rule 12](#).
2. Any Contracting Party of the Commission, the Chairperson, or the Executive Director may, at least **45 days** before the date fixed for the opening of the meeting, request the inclusion of supplementary items in the provisional agenda. A request for a supplementary item on the

provisional agenda shall be accompanied by a memorandum and any relevant documents on the proposed supplementary item.

3. At the beginning of a Session, the Commission shall adopt its agenda on the basis of the provisional agenda and any supplementary items. At that time, any Contracting Party or the Executive Director may request placement of additional items of an urgent nature on the agenda. Such items shall be included on the agenda subject to the approval of the Commission. If any Contracting Party of the Commission indicates to the Chairperson that they are not in a position to take a decision on such supplementary items of an urgent nature at that meeting, the Chairperson shall direct that the decision may be taken intersessionally, or deferred until the next Session of the Commission.

Working documents/papers

4. Any documents to be discussed at a Session of the Commission shall be submitted to the Executive Director no less than **30 days** before the date fixed for the opening of the Session, unless otherwise decided by the Commission. Documents received later than 30 days in advance of the Session shall be deemed as Information Papers only.

Regulatory Proposals

5. New regulatory proposals or amendments to existing regulations (including catch limit proposals) shall be submitted to the Executive Director no less than **30 days** before the date fixed for the opening of the Session at which they are to be considered. The Executive Director shall make the proposals available on the public access area of the IPHC website no later than one (1) business day after receipt.
6. The Executive Director shall not accept any new Regulatory Proposals or amendments to existing Regulations if received after the deadline stated in [Rule 8.5](#). Regulatory Proposals received later than **30 days** in advance of the Session shall be deemed as Information Papers only.

Reports of the Commission's subsidiary bodies

7. Reports of the Commission's subsidiary bodies shall be presented at each Annual Meeting of the Commission by one or more of the officers of that subsidiary body, or their delegate.

Rule 9 – Selection of Chairperson and Vice-Chairperson

1. The Commission shall elect from its Commissioners, a Chairperson and Vice-Chairperson, each of whom shall be elected for a term of one year and shall serve until the day following the election of their successors. The Chairperson and Vice-Chairperson shall be from different Contracting Parties. Each year these offices shall rotate between the Contracting Parties.

Rule 10 – Functions of Chairperson and Vice-Chairperson

1. The powers and duties of the Chairperson shall be:
 - a) To preside at all Sessions of the Commission;

 - c) To call for votes and announce the results of the vote to the Commission;
 - d) To approve on behalf of the Commission the publication of a report of the proceedings of each annual or other Session of the Commission for transmission to the Contracting Parties, Commissioners, and others approved by the Commission, including the general public via the Commission's website or other electronic communication means approved by the Commission, as an authoritative record of what transpired;
 - e) Generally, to make such decisions and give directions to the Executive Director, especially in the interval between the meetings of the Commission, to carry out the business of the Commission efficiently and in accordance with its decisions;
 - f) To take such other actions on behalf of the Commission as may be assigned by decision of the Commission.
2. The Vice-Chairperson shall act as Chairperson if the office of the Chairperson becomes vacant, or the Chairperson is unable to act, or the Chairperson requests the Vice-Chairperson temporarily to perform the duties of the Chairperson, until such time as the Chairperson is able to resume carrying out his/her functions or a new Chairperson is elected. Temporarily performing the duties of Chairperson by the Vice-Chairperson shall not affect the rotation of offices in the succeeding year.

Rule 11 – Decision making

Decision-making at Sessions of the Commission

1. As a general rule, decision-making in the Commission should be by consensus. For the purposes of these rules, "consensus" means the absence of any formal objection made at the time the decision was taken.

-
2. If it appears to the Chairperson that all efforts to reach a decision by consensus have been exhausted, decisions will be made in accordance with Article III, paragraph 1 of the Convention.
 3. Each Commissioner shall be entitled to one vote, and in accordance with Article III, Paragraph 1 of the Convention, all decisions of the Commission shall be made by a concurring vote of at least two of the Commissioners of each Contracting Party. At meetings, a public vote shall be taken by show of hands or roll call of the Commissioners, whether in person or via electronic communication, on each issue.
 4. Between Sessions of the Commission or in the case of emergency, a vote of the Commissioners may be called by the Chairperson and taken by mail, telephone, or electronic communication. Such decisions shall be duly recorded in the Commission's records by the Executive Director. Copies of such decisions shall be forwarded promptly to the Contracting Parties and to the Commissioners by the Executive Director and a record of the vote will be accessible to the public.

Intersessional decision-making

5. In case of the need for adoption of an emergency measure between Sessions, or where a decision needs to be taken intersessionally, the Chairperson may propose that a decision be taken by electronic means.
6. When a decision is to be taken by electronic means, the Executive Director shall transmit the proposed decision to the Official Contacts of each Contracting Party.
7. Commissioners shall promptly acknowledge receipt of any proposed decision by electronic means. If no acknowledgement is received from any particular Commissioner within one week of the date of transmittal, the Executive Director will retransmit the proposed decision, and will use all reasonable means to ensure that it has been received.
8. Members shall have **30 days** to respond, unless a longer period is specified by the Executive Director in the transmittal.
9. If no reply from a Commissioner reaches the Executive Director within the period established under [Rule 11.8](#), that decision shall be deferred to the next session of the Commission.
10. The Executive Director shall promptly ascertain and transmit the decision to all Commissioners. The date of that transmittal shall be the 'date of notification'.

Rule 12 – Observers and the general public

1. In accordance with [Rule 6.2](#), all sessions of the Commission and its subsidiary bodies may be open to Observers and the general public, and/or made available to the public via electronic means

approved by the Commission, unless the Commission decides otherwise. Release of information shall be subject to any rules relating to the confidentiality of certain data and other commercially sensitive information that the Commission may decide.

2. The Commission may, upon their request, invite the following Observers in their official capacity:

4. Observers and the general public may participate in the deliberations of the Commission and its subsidiary bodies during the Observer and public testimony periods, but shall not be entitled to participate in the taking of decisions.
5. The Commission may enter into agreements or arrangements with other inter-governmental organisations and institutions, especially those active in the fisheries sector, which might contribute to the work and further the objectives of the Commission. Such agreements or arrangements may provide that these organisations or institutions may be represented as Observers in the Sessions of the Commission.

Rule 13 – Functions of Executive Director and Assistant Director

1. The Commission shall appoint an Executive Director who shall be the ex-officio Secretary of the Commission, and whose tenure and rate of remuneration shall be determined by the Commission, in general agreement with U.S. Civil Service guidelines, based on the modified IPHC-GS15, 13 step scale as used by the IPHC. The duties of the Executive Director shall be:

2. The Commission shall appoint an Assistant Director, and if the position of Executive Director becomes vacant or the Executive Director is unable to act or is absent, then the duties and responsibilities of the Executive Director shall be performed by the Assistant Director.

Appendix II IPHC Code of Conduct for Officers and Members

I. Application

1. This Code of Conduct (Code) applies to all IPHC officers and members. The Code is designed to be a useful guide for officers and members as they carry out their ethical responsibilities.

II. Standards

2. The Code provides aspirational ethical standards. While adherence to the aspirational ethical standards is not easily measured, conducting themselves in accordance with these ethical standards is an expectation that officers and members have of themselves as professionals. Among the aspirational ethical concepts this Code embraces are those of respect, responsibility, fairness, and honesty.
3. **Respect:** Respect is demonstrating a high regard for oneself, others, and the resources entrusted to them. Those resources may include people, time, money, reputation, the safety of others, and natural or environmental resources. An environment of respect engenders trust, confidence, and performance excellence by fostering mutual cooperation — an environment where diverse perspectives and views are encouraged and valued.
4. **Responsibility:** Responsibility is taking ownership for the decisions one makes or fails to make, the actions one takes or fails to take, and the consequences that result.
5. **Fairness:** Fairness is making decisions and acting impartially and objectively. An officer's or member's conduct must be free from competing self-interest, prejudice, and favoritism.
6. **Honesty:** Honesty is understanding the truth and acting in a truthful manner both in one's communications and in one's conduct.

III. Responsibilities

7. IPHC officers and members shall perform all duties associated with their positions diligently, impartially, conscientiously, in a civil manner and to the best of their ability. In the performance of their duties they must:

- a. be able to express views clearly and concisely and be prepared to negotiate to achieve acceptable outcomes and compromises where necessary;
 - b. be respectful towards other officers and members;
 - c. act in the best interests of the resource as a whole;
 - d. be prepared to observe confidentiality and exercise tact and discretion when dealing with sensitive issues;
 - e. contribute to discussion in an objective and impartial manner and avoid pursuing personal agendas or self-interest;
 - f. be prepared to make the necessary commitment of time to ensure that they are fully across matters which are the subject of consideration at a meeting;
 - g. with the exception of the Conference Board, and the Processor Advisory Board, during the course of a meeting, disclose all interests, pecuniary or otherwise, in matters being considered or about to be considered by the meeting before those matters are discussed and abide by the decisions of a meeting in relation to their participation in discussions relating to those matters;
 - h. have confidence and authority of their stakeholder group to undertake their functions as an officer or member and be prepared to consult with members of their stakeholder group as necessary to effectively contribute to discussions.
8. Confidentiality and non-disclosure
- a. In general, officers and members are able to consult with their constituents before and after meetings. However, officers and members must not disclose confidential IPHC information.
 - b. All information received from IPHC, and not otherwise publicly available, is confidential. Officers and members may receive confidential information and are required to follow the IPHC's instructions as to its use. These instructions include

taking measures for the prevention of loss, theft, corruption, and unapproved copying or other duplication.

9. Public comment

- a. Officers and members, as members of the community, have the right to make public comment and to enter into public debate on political issues. However, there are some circumstances in which public comment is inappropriate, in particular where there is an implication that the public comment, although made in a private capacity, is in some way an official comment of the IPHC. Officers and members should avoid making public statements about matters relating to the IPHC unless it is made clear that they are speaking as a private citizen.

10. Conflict of Interest

- a. Officers and members may have conflicts of interest (actual or perceived) during the course of their duties. All interests in the matter being considered, not limited to pecuniary gain, must be declared. If there is any doubt as to the relevance of an interest, an officer or member must declare it so that any potential conflicts can be considered. IPHC subsidiary bodies are made up of relevant experts, so there is an expectation that members, in maintaining their expertise, may have some interest relevant to the resource. Having knowledge or a point of view about the fishery or the applicable science does not of itself create a conflict.
- b. Examples of interests that officers and members must declare (with the exception of the Conference Board, and Processor Advisory Board) include but are not limited to:
 - i. a financial or economic interest such as the ownership or control of concessions, businesses or assets related to the resource;
 - ii. any employment by a business or organisation relevant to the resource;
 - iii. any membership of a group or organisation relevant to the resource;

-
- iv. projects or campaigns that the officer/member or the officer/member's organisation/group has or has planned that are relevant to the resource;
 - v. a direct family member or close associate having such an interest.
- c. Any of these interests may or might reasonably appear to be thought to impair the ability of the officer or member to perform their duties properly and objectively in relation to the matter being considered.
 - d. Determining if a conflict of interest exists should be undertaken by the IPHC or subsidiary on a case by case basis and may evolve or become evident during a discussion. The process for declaring and dealing with a conflict of interest is outlined in the section below.

11. Managing conflicts of interest

- a. Conflicts of interests should be disclosed as soon as they become known recorded either in the meeting report, or in the files of the IPHC Secretariat.
- b. The disclosure must include:
 - i. the nature and extent of the interest
 - ii. how the interest relates to the issues under discussion.
- c. Unless the IPHC or subsidiary bodies decides otherwise, the officer or member making the disclosure must leave the meeting while deliberations and decisions are made about the matter where a conflict exists. This includes any discussions about decisions to allow the officer or member to be present during deliberations on the matter in conflict. The decision that is made about them remaining in any deliberations or recommendation making is made without them present. This should then be recorded in the meeting report.
- d. If the IPHC or subsidiary body decides at any time that a conflict of interest exists and that this conflict is likely to interfere with the meetings consideration of a particular issue(s), the IPHC or subsidiary body may:
 - i. decide that the officer or member who has disclosed the conflict of interest should participate in the discussions concerning the issue, but not in formalising the advice/recommendations (in such cases, the officer or

- member should be asked to retire from the meeting while the decision about their participation is made); or
- ii. ask to hear the officer's or member's views on the issue and then require him/her to retire from the meeting while it is discussed by the other officers/members and the advice/recommendation is formalised.
- e. Where an officer or member considers that another officer or member may have a conflict of interest which has not been previously declared, that officer or member who raised the matter should alert the Chairperson of the body and seek to have it clarified.
- f. Documents for all IPHC meetings are published no less than **30 days** prior to each session. Thus, officers and members are responsible for making a decision as to the need to disclose any relevant interest and its nature prior to the meeting. Once disclosed other officers or members should then discuss the nature of the interest, decide if there is any conflict of interest, and what action should be taken when that item is discussed.

Appendix III

4. The FAC shall prepare a report of each meeting of the Committee for transmission to the Commission.

II. Rules of Procedure

5. The procedures of the FAC shall be governed *mutatis mutandis* by the Rules of Procedure of the Commission.

5. CB members may be re-accredited for successive meetings. CB members seeking re-accreditation are encouraged to notify the IPHC Secretariat at least two weeks before the beginning of the annual CB meeting. Potential CB members seeking accreditation for the

first time are encouraged to notify the IPHC Secretariat at least two weeks before the beginning of the Annual Meeting of the CB.

6. Organizations and delegates serve without compensation from the Commission.

III. Officers
